ABOUT MARTIN

At four years of age Martin's father, an amateur magician, amazed him by turning a paper tissue into an egg. Martin has been mesmerized by magic since then, and has been hooked on magic for life. Martin has been a member of the world famous Hollywood Magic Castle since 1996, as well as a member of the International Brotherhood of Magicians. He served on the Board of Directors for International Brotherhood of Magician, Ring 21, in Hollywood from 1999 to 2006, and was its president from 2005 to 2006. He also served as an advisor and mentor for students of Ulysess S. Grant High School's prominent Magic Club. Martin is proud to boast having two of his students as junior members of the Hollywood Magic Castle. He taught magic as part of the summer curriculum at Grant High School, and as part of the STAR enrichment program of Dixie Canyon Elementary School. Moving to Chicago in 2006, Martin is now a member of I.B.M. Ring 43 in Chicago, and serves on their Board of Directors. He is also a member of Wizards Club, Houdini Club, Knights of Sights, and a performing member of the Academy of Magical Arts (the Magic Castle).

Martin began working professionally for Granada Theatre in 1991 as their resident magician, and performed for audiences at this prestigious dinner theatre until moving to Chicago. He produced, directed and performed in magical productions for Granada Theatre's special fund-raising events. He was also periodically seen on stage as a performer in many Southern California theatrical venues. Martin has established himself as one of the finest restaurant magicians today.
